

Your **ON** Demand Marketing Team

SOCIAL WIFI MARKETING

What has your WiFi done for you lately? **75%** of your clients want free wifi when they shop.

It's Time To Turn Your Free Wi-Fi Into A Social Lead Machine! Our Social Powered Hotspot is the perfect solution for any business looking to offer secure free Wi-Fi to its customers in a user-friendly manner. Result is increased engagement and customer loyalty.

Not only will you capture your customers' real email addresses, but also tap into Facebook Social (age, gender, hometown) to gather valuable demographic data & monitor engagement in real-time.

WE do EVERYTHING for you!

- Free hardware*
- On site setup
- Landing page design
- And much more included

Works on all devices
